# ON-DEMAND: BREXIT'S BACK, ALRIGHT... WEBINARS

Nov 21, 2020

## SUMMARY

This autumn, Brexit has shot back up the agenda with a vengeance. Watch our series of on-demand Brexit webinars and find out what you can do to prepare for the end of the transition period. We explored:

- The impact of Brexit on data
- What does Brexit mean for retailers and consumers?
- Key considerations for Israeli businesses
- How can US Businesses prepare?

After three years of dominating the news (in the UK at least), Brexit has been extremely quiet for much of the year. This is hardly a surprise given that we have been in the thick of a global pandemic that has changed so much about the way we live, but also given that the UK has been in a transition period since leaving the EU on 31 January.

But this autumn, Brexit has shot back up the agenda with a vengeance. Please see our Brexit guide [here](#).

Watch our series of on-demand webinars which explored the effects of Brexit on different areas and sectors, and find out what businesses can do to prepare for the end of the transition period.
