DATA PRIVACY AND SECURITY: A PRACTICAL GUIDE FOR IN-HOUSE COUNSEL

Jan 26, 2018

Partner David Zetony published the 2018 edition of his handbook, *Data Privacy and Security: A Practical Guide for In-House Counsel*, on January 25 – Data Privacy Day. The guide provides an overview of laws relevant to a variety of data matters topics, statistics that illustrate data privacy and security issues, and a breakdown of these data-related issues.

Members of Bryan Cave's Data Privacy and Security Team contributed to the publication. The 2017 guidebook was downloaded by more than 6,000 in-house attorneys. “We are extremely proud of the fact that it has become a desk reference for in-house attorneys worldwide,” Zetony wrote.

David Zetony is the leader of the firm's global data privacy and security practice. He has extensive experience advising clients on how to comply with state and federal privacy, security and advertising laws, representing clients before the Federal Trade Commission, and defending national class actions. He has authored numerous publications and is a frequent speaker on data privacy and security topics.
