Faster, Stronger, and Simpler? Australia's New Merger Control Regime

On 10 April 2024, Australia's Federal Government announced far-reaching reforms to its merger control regime, most notably the introduction of a new single, mandatory and suspensory, merger control system. The reform package is due to come into effect from 1 January 2026 and will align Australia's regime for reviewing M&A transactions from a competition perspective with the majority of other merger control regimes globally.
