

EARLY WARNING SIGN WEBINAR SERIES

OVERVIEW

When it comes to major construction projects and the disputes they give rise to - prevention is better than cure.

Watch these 3 on-demand webinars to find out how to diagnose, treat and prevent some of the most repetitive risks on major construction projects.

Our global team of specialist Construction Disputes lawyers have created these webinars for legal, commercial and operational stakeholders working in the construction industry.

1. Design Defects On-Site? Here's how to respond

2. The Construction Programme: making it your management tool (again)
